Hello and happy Friday,

Rick had minor comments, flagging a revised version as an FYI. This is back with Rick for his review and approval so we can move hopefully move it to Alex today.

I will share a final version once we have approval.

Thank you,

Carissa

Thank you for the review and comments. I will move this forward to Rick for review. I'm flagging the comments regarding a public comment period for the RA, and the next step to addressing the 90-day court deadline.

I will let you know if there is any follow up.

Thank you,

Carissa

Trish,

My comments are attached. Unless Erin or Bob say otherwise, I don't think there will be any more comments from OGC.

Thank you!

Hi Carissa,

Edits/comments attached. Many of OGC's previous comments from v1 no longer seemed applicable. We've applied the ones that still did in the attachment.

Elissa and OGC, I think FEAD will move this to Rick following any additional/final edits from you.

Thanks all,  
Trish

Thank you Trish for the information, it's very helpful. Attached is a revised statement. I know the background is a bit long, but I would rather include more in case others aren't aware of the history.

Let me know what your thoughts are.

Thank you,

Carissa

**Subject:** TCVP: update for response statement information

Hi Carissa,

Thank you for your time this morning. I may have mentioned this morning that we have heard back from HED (no comments) but OGC will need to weigh in on the response statement before it is sent out. Ben and Erin have been cc'd here. We can also say that we expect to issue a revised human health draft risk assessment in June 2019 (this quarter). The date of the PID is under review in light of the court's decision.
